

CAREER PLAN

Years 10-11

- Students explore their post 16 options and their intended choices related to preferred learning style and future career aspirations.
- Students and parents understand the application process and entry requirements for their intended choices
- Students capture the experiences and achievements that will help them to stand out on paper and in person

Years 12-13

- Students explore their post-18 options and develop a deeper understanding of their progression and career preferences
- Students research and compare options and make decisions based on personal suitability and the availability of options
- Students prepare for future employment, refine their personal profile/CVs and start to demonstrate the application of their skills
